Product Description

F1402V Force Blower

Ideal for full-size landscapers, seal coaters, schools, parks departments, cemeteries, resorts, street departments, golf, and estate properties. This Vanguard-powered 14.0 Gross HP* unit delivers high-performance and durability. Cyclonic air filtration offers better protection from debris and the air filter is rated for up to 600 hours of use, twice that of other engines on the market. (F1402SPV optional self-propelled pictured)

Features -

Patented Aim N Shoot™:

Directs the airflow where you need it most with fingertip control and is lockable for single positions.

Advanced Fan Technology:

Features a single shot 16-blade closed face fan; twice as many blades as others on the market.

Cyclonic Air Filtration:

Provides better protection from debris. Rated for up to 600 hours of use, which is twice as long as other engines on the market.

Thicker Padded Handles:

Best in class for comfort and productivity.

Quiet Operation:

Compared to backpacks and steel blowers, the quiet operation is a welcome relief among users and in neighborhoods.

Low Weight:

Best in class weight so you can finish faster!

Standard Forward Discharge:

Soft rubber design is a snap to install and is perfect for cleaning along walls and fences.
