Product Description

CR550HC Power Rake

Billy Goat's Compact Power Rake maneuvers small properties effortlessly, removing matted thatch from turf in 20" passes. Its rugged design withstands the most demanding use. The CR55OHC comes standard with Honda power coupled to a free-swinging heat treated tempered flail blade reel, mounted to construction-grade cast iron bearings with grease zerks. The flail reel can be changed over to an optional slicing reel in 10 minutes.

Features -

Heavy, Single-Piece Construction:

Dampens vibration and reduces overall number of parts.

Premium Inside Mounted Engagement Bale:

Plus padded handle for operator comfort and ease of use.

Foldable Handles:

Padded, ergonomic handles are stiff under operation and fold for easy transport and storage.

Infinite Heavy-Duty Depth Adjustment:

Save on blade wear when compared to preset adjustments that may promote premature flail wear.

CR Flail Reel:

Perfect for accumulated thatch to ½ inch or more. Helps restore the healthy growth of turf. PN 350241 to replace.

Construction Grade Cast Iron Bearings:

Complete with grease zerks for purging dirty grease.
