Product Description

Bearcat CH8993H 9-inch Chipper

POWER AND EFFICIENCY COME STANDARD.

Crary® Bear Cat® engineers and manufactures the strongest lineup of towable Chippers right here in the USA. With a wide range of models, there is sure to be one that fits your needs. On top of this is a best-in-class warranty.

This turntable Chipper with a 9" max capacity and infeed opening from Crary® Bear Cat® provides all the features you need to get your work done!

The 360-degree rotating base allows the chipper infeed to be rotated to the work. An integrated smart feed system allows efficient use of the engine horsepower. A swing-away door covers the belts and hydraulic system during operation and opens quickly for service.

2" coupler standard.

CE compliant model available

Battery sold separately.
